## District Pioneers Pass Away

**MRS. LUDILA KERCHER**  
Mrs. Ludila Kercher, 80, died Friday in the Edsborough hospital.  
Born in Souris, Man., Mrs. Kercher came to Edsborough 12 years ago. She was a member of Knox United Church here and also belonged to the Ladies' Aid.  
She is survived by her husband Edward of Edsborough, two sons, George of Portage, Prairie and John of Calgary; four daughters, Mrs. W. J. (Margaret) Purdy, Colburn, Ont.; Mrs. Frank (Ruby) Good of Calgary; Mrs. A. J. (Irene) Learmonth of North West Territories; Mrs. Richard (Edna) Sumner of Washington, Iowa; two sisters, Mrs. Gordon Kunliff and Mrs. Ernie Cudde both of Vancouver; two brothers, Eliot Cherry of Lewiston, N.D., and Charles Cherry of Souris, Man.  
Funeral services were held from Knox United Church, Edsborough Tuesday at 2 p.m. Rev. T. J. Stainton officiated. Gooder Brothers Funeral Home were in charge of arrangements.

## H. A. HOWTON

Harry Albert Howton, 80, of Elkton died Wednesday in Edsborough hospital.  
He was born in Mistley, England and moved to Saskatchewan in 1911. He moved to Edsborough in 1913 and to Elkton in 1929.  
He was a member of the Fallen Timber Piousness Church.  
He is survived by one son, John, of Elkton, a daughter, Mrs. Lily McGiffin of Calgary, a brother, Bert of Calgary, a sister, Mrs. H. Young of Vancouver, B.C., three grandchildren and two great grandchildren.  
Funeral services were at 2:30 p.m. Monday in the Edsborough Evangelical Church with Rev. R. Moore officiating. Burial was held in the Edsborough Cemetery. Gooder Brothers Funeral Home were in charge.

## Highland Notes

The monthly meeting of the Pentecostal Holiness W. A. was held at the home of Mrs. Solveig Clarke Thursday afternoon.  
Mr. and Mrs. Bob Moore attended the funeral of Mr. Howton in Edsborough on Monday afternoon.  
Allen Admussen spent Wednesday and Thursday nights with Mervin and Wesley Stricker.  
The thermometer really dropped out of sight a few nights last week making everyone and everything a bit chilly, let's all hope our cold weather has passed for this winter.

*Help us...  
to help others*

During the past five years and up to December 31, 1955, six children from Edsborough and area have spent a total of 1390 days in the Alberta Red Cross Crippled Children's hospital.  
Built by the people of the province for these children who the parents cannot afford the prolonged treatment that orthopedic disability demand, the hospital provides the finest in medical, surgical and nursing care and is, of course, a free service by Red Cross to all children in the province requiring this assistance.  
In-patients care includes all braces, casts and other orthopedic appliances that the case demands while regular schooling, music, handicrafts, scouting and Guiding work together to build the whole child.  
The work at the Red Cross hospital is financed by a per diem grant from the Provincial government, gifts of every kind from the friends of Red Cross and the annual campaign for funds. Each day's care per patient cost Red Cross in the neighborhood of \$6.00 which must be financed by the Society.  
One of the greatest contributions to the Society, which makes the hospital possible, is that all the doctors on the staff are volunteers who donate their time and talents to both Red Cross and the children.  
The sum of \$194,351.00 from the current campaign for funds is budgeted to be spent in maintaining the work of the Red Cross hospital during the forthcoming year.

## Glencoe Skaters to Perform At Saturday Ice Festival

Saturday night at 8:30 p.m., the Glencoe skaters of Calgary are scheduled to glide onto the ice at the memorial arena to touch off the spark that promises to be a fine evening of fun and entertainment for all age groups. The Calgary skaters are not strangers hereabouts and their precision performances in the past have been worth the price of admission.

All schools in the division will be eligible, by grades, for prizes in the costume events and these events should provide plenty of color to the show.

Races will be held for the different age groups and once again all schools in the district may take part.

The date again — Saturday, Feb. 24th, 8:30 p.m., the place — Edsborough Memorial arena. See you there!

## WEST NOTES

(From Our Own Correspondent)

The Elkton Ladies Curling Club held a very successful spin Friday and Saturday with four local rinks, two from Cremona and one from Sundre and one from Edsborough. Mrs. Joan Bellamy of Cremona won 1st in the 1st event with Mrs. Hazel Hogg 2nd, Mrs. Helen Befus 3rd and Mrs. Conway of Sundre 4th. Mrs. M. Post of Cremona won 1st in the 2nd event, Mrs. Helen Erickson 2nd, Mrs. Betty McMullen of Edsborough 3rd, and Mrs. Edith Luft 4th. All competitors won a prize and that's the way we like it. Free lunches were served. The mixedspiel is starting next Monday, Feb. 27.

Mr. and Mrs. A. L. Hogg visited with Mr. and Mrs. L. Krebs on Thursday evening.

We are pleased to hear that Mrs. Albert Krebs who underwent a major operation in the University hospital on Friday is progressing satisfactorily and that Keith who was in the Edsborough hospital was able to return home on Thursday with his arm in a cast. Mrs. Arnold McCulloch has been keeping house at her brothers for the past week.

Congratulations to Mr. and Mrs. Bob Bagshaw who were married in Calgary on Friday, at a quiet but lovely wedding with immediate relatives attending.

The Rugby W. I. held a whist drive at the home of Mrs. A. Vipond on Monday evening with six tables playing. Honors went to Mrs. Harold Braun and Mr. W. Wiedner and congratulations to Mrs. Toppin and A. L. Hogg. Lily Blain had the lucky program and the box of chocolates went to Doreen Hosgood. The proceeds were for the cancer drive.

Miss Maxine Hosgood and her friend Miss Betty Bowline were weekend guests with the former's parents. Mrs. Alfred Cowitz was a Calgary visitor over the weekend.  
Miss Linda Hosgood was home over Sunday.

## From Behind The Glass . . .

Last Saturday night the Legion and Lions locked horns at the local curling rink. Six rinks were in action in the one-draw affair and the lads who wore the berets, came out on top in the high-point competition.  
Following the games a snack and a cup of good java was served to the participants by the ladies' auxiliary. Following this Mrs. Joyce Mullen presented a very unique trophy to a representative of the winning side. Some Lions expressed the thought they were lucky they lost because the plastic emblem would not fit in with trophies previously captured by the organization.

Mr. Tom Brown of Edsborough is skipping a rink in the current Calgary bonspiel.

Competition continues in the regular draws and some interesting games have been played in the past week. One contest, which went an extra end-seeker to under protest. The ice-makers, we understand, have been accused of dropping a little tar under the opposing rocks when they were curling in to a scoring position. This is the second protest lodged by this foursome this season, the last one, as yet undecided, concerned pre-game practice by their opponents.

Cutlers from here, members of Old Elk Lodge took part in a one-dayspiel at Sundre last Sunday and came home with top honors, winning all four games they played. Personnel of the various groups to whom we are now indebted for our Bible, and a series of scenes showing the

## Subscription Note

Please pay out of town subscriptions by money order.  
A red line under your name means your subscription is overdue.  
A blue line means your subscription is coming the next month.

## EAST NOTES

(From Our Own Correspondent)

Mr. and Mrs. Alfie Thompson and Beverly called on Mr. and Mrs. Schumaker and family Saturday night.

Best wishes are extended to Eddie Patterson who hasn't been feeling so good, hope you will soon be well as Eddie.

Mr. and Mrs. Thomas Marsh and family visited with the Schumakers on Thursday evening.

Ellen Weber spent Thursday night with Judy Marsh.  
Mr. and Mrs. Bob McCulloch were up here to attend the square dance at the Lone Pine hall on Saturday evening.

Town nomination day here Monday was a quiet affair as all positions were filled by acclamation.  
Returned to council were C. E. Reiber and Lawrence Dickau, while George Law and Lorne Clayton will again serve on the school board. Ed Ford retains his seat on the hospital board.

SHE'LL BE HERE SATURDAY NIGHT — WE HOPE ! ! !

## REDEEMER LUTHERAN TO SHOW INTERESTING FILM

On Thursday evening, March 1, at 8:00 p.m. the film "Our Bible — How It Came to Us" will be shown at Redeemer Lutheran Church. This film was produced by the American Bible Society and is being shown through the courtesy of the British and Foreign Bible Society. A cordial invitation is extended to the entire community to see this fine film.

The film first takes one back to the very beginning of the Bible. After a brief opening in the modern day, the film flashes back to Nazareth in the time of the first century and shows Jesus in the synagogue reading from the scroll of Isaiah. The film then unfolds the story of how the Old Testament was formed and how translations of the Bible into Greek spread throughout the eastern Mediterranean world and formed the Scriptures of the early Christians.

Then the film shows how the Bible was spread across Europe during the third and fourth centuries through the devoted efforts of careful copyists and great translators. Among the outstanding translations of this period was that of Jerome, the Latin Vulgate. The Goths brought destruction to western Europe, but the copying of manuscripts still persisted in the monasteries, and the Bible gradually spread into northern Europe and into the British Isles.

Finally and probably the most stirring section of this epic journey, shows the invention of the printing press and the introduction of the Gutenberg Bible. It also deals with a host of men who made great contributions to Bible translations. Erasmus, Martin Luther, William Tyndale, Miles Coverdale, and King James I of England.

The film closes with a recapitulation of the various groups to whom we are now indebted for our Bible, and a series of scenes showing the

## Letter To The Editor

Editor, Edsborough Pioneer

Dear Sir:

I would appreciate space in your next issue for the following letter regarding cancelled game between Edsborough Ramblers and Hillhurst on Saturday, Feb. 18.  
To all our sport fans and supporters I wish to apologize for a most regrettable affair and show of poor sportsmanship. We, and I take liberty in speaking for the entire club, sincerely appreciate your support in the past games and hope this episode will not hamper future attendance. The boys need your support, not just financially, but the spirit and will-to-win come easier when the seats are full.

I wish to apologize also for my failure to appear in the waiting room to explain our action, which in the interest of our players' safety I feel was quite justified. I'm sorry I failed to do this.

Yours truly,

Wm. Cowan

NO ELECTION LOCALLY THIS TIME AROUND

Town nomination day here Monday was a quiet affair as all positions were filled by acclamation.  
Returned to council were C. E. Reiber and Lawrence Dickau, while George Law and Lorne Clayton will again serve on the school board. Ed Ford retains his seat on the hospital board.

## League Playoffs Start This Week

With the regular Chinook League schedule completed, playoffs will start tonight (Thursday) when Trochu will be guests of the Edsborough Ramblers in the Memorial arena.  
The second game will be played at Trochu on Saturday night. The first round of the playoffs is a two-game total point affair.

These teams played a 1-0 encounter the last time out. Judging from this it should be an interesting series.

Playing their last scheduled Chinook League game here last Thursday, Edsborough Ramblers and Carstairs battled to a 4-4 draw in one of the more interesting games of the season.

At the end of the first the score was knotted at 1-1, the locals went ahead by a 3-2 score in the middle session and were outscored 2-1 in the final period.

Irwin lead the Ramblers, scoring twice with three goals and McCoy counted a singleton. Assists went to McCoy with two and Neufeld.

## WESTCOTT NEWS

(From Our Own Correspondent)

The Westcott Community Club held another of its card parties last Friday night at the Westcott school both "500" and whist were played. Winners in the "500" were: ladies, Mrs. A. Slatten; men, Mrs. Bill Tohms. Consolations were won by Mr. and Mrs. Clarence Larson.

Whist winners were: ladies, Miss S. Slatten; men, Mr. Raymond Shantz. Consolations, Mrs. Alf Baudistel, Master Frankie Murphy.

A dance is being planned by the same club in the same place, Westcott school, this Friday night.

Mr. Jack Angus called on many of his friends in the district last week before he left for the Old Country this week.

Mr. and Mrs. Ken Folkmann and daughter Jacqueline of Calgary were visiting with the former's parents, Mr. and Mrs. O. Folkmann on Sunday.

We are glad to hear that John Jacobson is much improved in health and expects to be released from hospital soon.

Mrs. Paul Deateau and children of Edmonton are visiting with Mrs. Deateau's mother, Mrs. Koochin at the Charles Brown residence.

Mr. Fred Forsyth was a weekend visitor at the home of his niece, Mrs. Herbert Goetjen.

Mr. and Mrs. L. Banting and Terry Nix were Thursday evening supper guests at the Charles Brown home seeing TV.

LADY GOLFER

The lady golfer took one swing, then another, and another. Two little ants were getting more apprehensive with each swing. Finally, one of them said: "Let's get up on this tee before we get killed."

## Hockey Game Called Midway Through First Period

Fans who follow the fortunes of the local entry in the Chinook League (we're speaking of the Edsborough Ramblers) had very little to cheer about Saturday night when they witnessed only 10 minutes of action in the game called the Battle of the Bells. The name of Hillhurst Hustlers (they were hustling when they left town) not to be confused with the very fine team which operates in the Big Six League under the same name.

Contrary to a report published in a city newspaper, the game called an exhibition affair, was not won by default — it was cancelled. The final score in the fast-closing episode (that's all we can call it) stood at 1-1.

WHAT HAPPENED ?

From the opening face-off it was obvious the visitors were playing the man and not the puck. In various hockey encounters, professional, senior and all down the line, it has been our pleasure to witness good stickhandling, good passing, stiff body checks, even when a 275-pounder tees off on a 130-pounder, who is still reaching for his 18th year. Unless they can take the bumps the "small" editions shouldn't be there!

However, on Saturday night the big guy went after the wee guy with 275 lbs. of fat and gristle (no room for brains — he was absent when they were on the menu) didn't use his hard, he took a deliberate swing with his war-club across the face of the young lad who was about playing a game for fun. Ask him today if he thinks this is fun, look at him and you know it isn't.

It was a disgraceful performance and one which should very definitely be taken up with those who have the power to keep maniacs such as this out of sport of any kind.

SECOND LAST SHOTS

The referee came in for his share of the abuse when a match-misconduct was handed to the offending player, which he refused to serve.

The local coach had his hat brushed off and suffered personal insult from the same offender.

LAST SHOTS . . .

It would be unfair to judge all members of the Calgary team by the actions of one bull-dozer. We doubt very much if the majority of his own club will care to play on the same ice with him. The suggestion has come forward however that the referee travel again on the local ice surface, without a disguise, better he should bring a plastic surgeon as a co-pilot.

Admission fees were refunded to all who had paid to see a hockey game.

## Annual Meeting Causes No Furor

The annual meeting of the Municipal district of Mountain View No. 49 was held on Saturday, Feb. 18, with Mr. Van Haaften handling the microphone.

Regular procedure started off what proved to be a rather quiet session. The usual reports were given, the financial statement was gone through page by page but on the whole there is not too much to report.

The question of the coyote bounty was left to the council for a final decision. Mail suppression plans came up for discussion. The hospital situation was reviewed and F. J. Niddie, member of the Council and also member of the Alberta Legislative explained what goes on regarding oil rigs operating within the municipality.

Facts and figures are all included in the financial report which has been forwarded to all ratepayers in the area concerned. Those who were not present at the annual meeting and wish clarification on any point, need only contact the secretary-treasurer.

There will be no election in M.D. No. 49 this year as E. Roodier, F. J. Niddie and E. B. Dodd were returned by acclamation. Other members of the council are Wm. J. Bagnall, W. J. Metz, A. L. Hogg and E. W. Miller.

## WESTERDALE NEWS

(From Our Own Correspondent)

The extremely cold weather of the last week necessitated the postponing of the variety program to this Friday, Feb. 24.

Mrs. R. Jackson spent a couple of days in Calgary the fore part of last week.

Mr. and Mrs. W. Herbert were Calgary visitors last Tuesday.

Mrs. W. Wisley underwent an operation at the Edsborough hospital last Friday, best wishes for a speedy recovery.

Mr. Jim Jackson spent the weekend in Calgary.

Miss Greta Kershaw of Olds returned to her duties at the hospital on Monday evening after spending the previous days at her home here.

Five tables of whist were in play at the home of Mr. and Mrs. J. P. Schrader on Monday evening.

Honora went to Mrs. W. Herbert and Mrs. F. J. Jackson while consoling went to Mrs. C. Roeth and Mr. H. Trotter.

Mrs. and Mrs. Joe White of Westcott were supper guests at the home of Mr. and Mrs. R. Jackson on Sunday evening.

Mr. and Mrs. Stan MacDonald of Olds and Mr. and Mrs. George Constable of Red Deer were Sunday visitors at the home of Mr. and Mrs. Herbert.

The annual election of officers of the Young People's club will be held at the hall on March 5.

**10 DAYS between PROFIT and LOSS**

Ten days ago the grain stood straight and promising in the fields. Then the temperature dropped . . . and the crop bowed to its greatest enemy—frost.

Ten days—your earlier harvest bonus from fertilizer—would have made the difference between profit and loss from frost-killed grain. Elephant Brand high analysis fertilizers, rich in nitrogen and phosphorous plant food and "tailor-made" for the Canadian Prairies, brings grain crops to maturity faster . . . a harvest up to ten days earlier.

## Ramblin' and Roamin'

This week we've been doing a small spot of wondering about cycles, the type of cycles which at one time or another affects the life or livelihood of those who may be in the unfortunate position of being within their scope. Here we go:

### Mice Cycles —

A few short years ago the country was plagued with an invasion of mice which destroyed crops, affected the national economy and on the whole made things miserable for everyone. Old-timers tell us it works in cycles. How come they're not here every year?

### Hail Cycles —

One year you get it, the next year you get part of it, maybe the next year you miss it all. What gives? Will weather modification methods help?

### News Cycles —

One day, or one week, the front pages and aerial outlets are filled with fast-moving, important news. Next day, or next week, plug items are a drudge on the market. Who can control this situation?

### War Cycles —

At various intervals history proves it has been necessary for countries to man their borders with armed guardians to protect their way of living against aggressive forces. In any conflict of such nature there can be no winner. Will we live to see the day when there is no such battle going on in some part of the world?

### Strike Cycles —

The motor industry seems to be more in the headlines in this field. As in the war cycles, nobody wins. Are the unions pushing their power too much?

### Sport Cycles —

Speaking on a local level, one year hockey takes the spotlight, then curling moves in, golf gets its share of the limelight, badminton comes and goes, huntin' and fishin' are pretty steady customers. Baseball — where are you?

### Bye-Cycles —

You'll have to suffer until next week when the writer dismounts again. Are you holding your breath?

## By The Way

Contributed by  
REV. T. J. STANTON, M.A.

"TOUCH WOOD"  
When any body tells me I had better touch wood I put my hand on my head. Of course there could be the risk of getting alivers in my fingers by doing so. Somebody says, "I have not had a cold for months." "You better touch wood." Seriously though I just haven't. I think it is because I have been careful about getting more rest lately. How many conversations have been broken into daily with there two meaningless words, Touch Wood.

What difference does it make whether I touch wood or not. What has wood got to do with my getting a cold, so long, at least, as there is not a board missing from my door, or a shortage of fuel which I need for other and more important reasons than touching. There are people all around us quite ordinary people, who are to well learned and mature to accept the story of God's creative and redemptive love, as it has been preserved for our instruction in right living. Yet the same kind of fears daily haunt the hearts of these people as previously haunted the hearts of the primitive bushman.

"I only touch wood for fun. I am not afraid of black cats that happen to cross my path — not much anyway." "Yet I did not go down that street too. I turned again for only to see the same black cat cross that street too. I turned again for fun."

Life does not hold an over abundance of freedom for those who can only go between black cat tracks. Does it. Other say, "I used to dodge black cats when I was a child, so out of habit I still do." What are they now?

Many people have some sort of a mental reservation about the hidden powers of stepladders, new moons, rabbit feet and all kinds of good luck symbols, not realizing that all that lies behind this whole matter is fear. They lack confidence in their own intelligence, in the intelligence of mankind and in the intelligence of God. Why should anyone who believe in John 3:16 make this public fetish to any power other than

## Notes From D.A.

By Howard J. Fuleher

Forage crops will and do give good returns per acre, especially so when used with livestock as pasture or hay. These crops improve the land in that they increase fertility and fibre content and at the same time prevent erosion.

Now is the time to plan for and order your grass and legume seed supply. When this gets graded seed as across-the-fence purchase may result in disappointing results both in germination and weed seed pollution. In most cases mixtures in a forage crop will give best results. In hay fields about half legume and half grass, in pasture field not over one third legume on account of the dangers of bloat.

There are many satisfactory legumes and grasses for this area, alfalfa, a perennial legume, makes excellent hay and can be used at low levels in pasture. Red Clover does well on heavier soils and can be used in hay or pasture mixtures, Alaska

God, either with or without a piece of wood to touch?

In Exodus 20:3 we read "Thou shalt have no other gods before me." But black cat tracks, stepladders and what have you, are only a few of the many modern gods that people think to be far more vital in our day than the God and Father of us all. It may be we are barking up the wrong tree. We must have our liberty! Liberty however is not the power to do what we like, but rather the power to be able to do what we ought. Civilizations have come and gone because they touched wood instead of touching the living God. Any and every democracy will go down to decay and dust that encourages man either individually or collectively to become the sole rule of life. The true test of a liberty must ever be, does it conform to a code which was given from above and not made by man.

Lord Acton said "opinions alter, manners change, creeds rise and fall but the moral law is written on the unperishable tablets of the eternal." Which then should be of greatest service today? The fear of tracks made by black cats or the wholesome fear of the Living God? Better touch God!

"Thou shalt worship the Lord thy God, and Him only shalt thou serve."

is best suited for low areas. Sweet Clover makes an excellent green manure crop.

In the grasses bromes gives high yield both in hay and pasture, fescue is an excellent pasture grass and can be pastured well on in the fall, when in a hay mixture it provides good aftermath pasturing. Timothy is used

in low areas and in any hay mixture helps in the curing of the hay. Reed Canary can be used where the land is subject to prolonged flooding. These are only a few of the common forage crops, there are many others and numerous satisfactory combinations can be selected to suit different farm conditions.

De Soto Firefly V-8, 4-door Sedan

Today ... the modern way to go is

Push-button controls for Power-Flite automatic transmission are safely-positioned at the driver's left. There are no sleeve-catching levers!

DeSoto

There's one smart way to travel the road to success. And that's in a fabulous new DeSoto with Flight-Sweep styling!

For DeSoto brings you the newest of the new. You'll thrill to the magic touch of push-button controls that set in motion the finest automatic transmission — Power-Flite!

Then, with DeSoto's great new 255-h.p. Firefly V-8 at your command, you'll reap extra power benefits for faster acceleration, smoother cruising, safer passing.

And once in motion, DeSoto will introduce you to a bright new world of handling ease. Full-time power steering is available to guide you easily around curves and into parking spaces. And there's a new safety, too—with new centre-plane brakes, an entirely new design that gives you swift, sure stops with less pedal pressure.

But see for yourself! Drive a DeSoto today!

## SERVICE BOARD

## NOTES

By  
W. K. SNYDER

Agricultural  
Service Board

CALFHOOD VACCINATIONS to a total of 7517 have been carried out to date during October, November, December and January. The fall drive is now completed with only a few herds still remaining to be done. The total of calves vaccinated is down somewhat from previous years directly attributable to the change in Municipal boundaries.

Quite a heavy calf population exists in the area we relinquished. Since the Municipal district of Calgary (now Rocky View No. 46) has also become a Bangs Restricted area; and Kneehill also being a restricted area there is now a large solid block of country all striving toward the same goal — the elimination of Bangs disease in the cattle population. Ultimately, we expect that the entire Province of Alberta will become a Bangs Restricted area.

While I am on this subject I will make mention of the fact that several cattlemen have been seen with calves which apparently had suspicion of abortion. The calves are dropped around the third, fourth, or fifth month.

We sent such a foetus to the animal laboratory at Edmonton last week for analysis. Preliminary reports seem to prove that this is a Vibrio infection and results in the death of the unborn calf. Watch your cows carefully and report any unsatisfactory condition to your veterinarian. Vibrio infection can be successfully treated if caught in time.

## Public Health

(Continued from Last Week)  
As an example, consider preparations said to contain certain vitamins and minerals. These are analyzed to make sure that the amounts claimed on the labels are indeed. No one is allowed to offer for sale to the public any food or drug as a treatment for certain ailments, such as cancer, diabetes, epilepsy, heart disease, tuberculosis and venereal disease. All the many listed diseases are so serious as to demand professional care.

This is a particularly beneficial field of work, pending the general and thorough education of people in health matters. We may laugh at the quaint beliefs of yesterday, but there are still many false ideas abroad. People who seem to be otherwise intelligent put their faith in remedies that are no more than superstitions. Although the wisdom of medical knowledge is readily obtainable from family doctors and public clinics. The United States Commissioner of Food and Drug recently: "Lives are being lost needlessly because people are putting their trust in worthless remedies." A man on our Canadian prairie was found to be offering silk handkerchiefs for the healing of various ailments.

Other sections of the Department of National Health and Welfare have to do with occupational health; industrial hygiene; public health engineering; medical examination of immigrants; quarantine; the handling of food and drink aboard passenger trains, and many other things. The National Health Plan.

The national health grant programme stems from a suggestion favorably reported on by the Rowell-Sirois Commission in 1946. It proposed federal grants-in-aid to support broad public health programmes which should include sustained attacks upon tuberculosis, mental illness, venereal disease and cancer. The programme was introduced in 1948, providing for the payment of federal grants to the provinces for specific purposes.

Though shortage of qualified workers and other essential factors have limited utilization of the funds made available, there have been impressive advances made. Mental health services have been notably extended. In the first seven years, there were 4,456 doctors, dentists, and other professional people added to the ranks of public health service; more than 9,000 health workers were given training; space for 65,000 beds was made available under the hospital construction grant.

Assisting, and often prodding, the official public health agencies are voluntary associations of two kind professional, like the Canadian Medical Association, and lay organizations, like the Health League of Canada. The voluntary agency has been the pioneer agency.

Many of the earliest welfare undertakings were initiated by groups of public-spirited citizens. As the worth of these programs was proved and the financial burden became too heavy for private philanthropy, governments on various levels were drawn into the activities.

(Continued Next Week)  
BEING CO-OPERATIVE  
"Are you doing anything for that cold of yours?"  
"Well, I sneeze whenever it wants me to."

## FALLEN TIMBER

(From Our Own Correspondent)

The annual meeting of the Fallen Timber School district was held Saturday afternoon, Mr. Johnny Howton was elected as new trustee, replacing Mr. W. Fyten who declined re-election.

Mr. Ray Teynor was home from work several days last week suffering from a strained shoulder.

Sunday at the Fallen Timber Foursquare Church Mrs. Dave Jansen, vice-president of the W.C.T.U. of Didsbury and Mrs. Gamble Sr., presented awards to those taking part in the contest held last fall. Those receiving awards were: Carol Teynor, Bobby Teynor, Harold Teynor, Monty Moore, Dorothy Stair and Barbara Stair. These children have been faithful Sunday school members of this church for many years and we are proud of their receiving these awards.

Lynne and Katherine Fyten spent the weekend at the home of Mr. and Mrs. H. Steen.

Sunday dinner guests at the home of Mr. and Mrs. Johnny Howton were Rev. C. and R. Moore, and Keith Cooper of Calgary, Mr. and Mrs. J. H. Cooper.

A number from the district attended the Home and School meeting in Cremona recently.

Don't forget the Stanley tea at the school Saturday, February 18 in the evening.

Mr. and Mrs. B. Wheale and Mr. and Mrs. S. Wheale and their families were visitors recently at the Carl Rosted home to celebrate Mrs. Rosted's birthday.

Mrs. Lilly McCaffin of Calgary, spent last week at the home of Mr. and Mrs. W. H. McCaffin in Didsbury where she could be near her father, Mr. Harry Howton who is very ill in the Didsbury hospital.

Mrs. Dean Stair, Linda, Marilyn and Donnie were visitors at the home of Mrs. B. Dick recently.

Mr. and Mrs. J. H. Cooper were visitors at the home of their daughter Mrs. Olive Admussen last Saturday afternoon.

## CHRISTIAN SCIENCE

The power of Christian healing in all ages will be set forth at Christian Science services Sunday in the Lesson-Sermon entitled "Christ Jesus."

Selections from the King James Version of the Bible will include the account of Christ Jesus' healing of the "man whose right hand was withered" as recorded in Luke's Gospel (6:6-12).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (347:14-17): "Christ, as the spiritual or true idea of God, came now as of old, preaching the gospel to the poor, healing the sick, and casting out evil."

The Golden Text is from Psalms (45:2): "Thou art fairer than the children of men: grace is poured into thy lips: therefore God hath blessed thee for ever."

## DISTRICT NEWS

### M.V.B.C. NEWS

(From Our Own Correspondent)

The College was privileged to have Mr. Don Norris of Calgary as chapel speaker on Friday of last week. Mr. Norris is president of the Canadian Association of Calgary and has done much work for it through the past years. On Sunday evening the Oldsians had a special meeting in Bethel Baptist Church, Calgary, at which time President Taylor addressed the meeting. A number accompanied him to Calgary for this occasion.

The board of directors of the College met last Tuesday for their annual meeting. Rev. K. Oelger, general Superintendent of the United Missionary Church was present and his advice and help was greatly appreciated. You will be interested to know that the faculty has been re-elected for the coming year, and that additional members for the music department will be secured. Miss Sharman, however, will not be with us next year, for she is endeavoring to complete her degree work in piano and wishes to do so before she returns to the staff of the College. We have appreciated her fine work, but agree that this further work should be done, and her standing as a piano teacher secured with full credentials.

Last Monday forenoon was a holiday for the students, that is if replacing beds and equipment for the weekend of Youth Convention can be so named. They were very busy, and we did appreciate the splendid organization of the Student Council in taking care of all the necessary arrangements. Clifford Quantz is president of the associated student body, and it was under their planning that the many young people were cared for during that weekend.

Mrs. Marie Kagey and Miss Gladys Eby attended the Sunday School convention on Tuesday afternoon in Calgary. All Sunday school workers should plan to attend a meeting of this sort, for each year these expert workers in this field put on workshops in Calgary and any one wishing to improve in Sunday school work, or refresh themselves with new ideas, is welcome.

Rev. and Mrs. Batten of Moose, Washington and Mrs. Seabrand and her son Russell of Wapato, Washington returned to their home on Thursday. Rev. Batten is a graduate of the College and has been appointed a member of the board of directors this past year. They were guests of the college while here. Mrs. Seabrand has two daughters, Esther and Jane are students here this year. Esther will graduate this year, while Jane finishes her first year of study with us. Several student groups were assigned Sunday services this last week. This coming week one of the quartettes, the King's Messengers, will help Mr. Taylor in special services in the Parkdale Church, Calgary. You will hear more about this later.

We have a couple of very artistic students in College. Miss Jane and Shannon of Acadia Valley and Mr. Kenneth Shauers of Alk. Miss Shauers recently sent in a poster arrangement suitable for advertising missionary conventions to the Missionary Banner, Elkhart, Indiana, and received an award for same. She has also been requested to send more ideas. Ken is editor of the annual school publication which has taken the form of a brochure, and is doing splendid work in that. Some of us are anything but artists but we do appreciate those who have such outstanding talent.

### HE DIDN'T WIN:

"Somebody got my pocket."  
"What did he pick?"  
"Practice."

### SPRINGSIDE NOTES

(From Our Own Correspondent)

The Springside Ladies' group met at the home of Mrs. Jake Heidebrecht for the February meeting. It was decided to change the date of meeting from Tuesday to Thursday, which brings the next meeting to March 1st. The hostess prize was won by Mrs. Roeth and the ten cent draw by Mrs. Petersen. The March meeting will be held at the home of Mrs. McDonald.

Mr. and Mrs. D. R. Corbett were weekend visitors at the Collinge home.

Mr. and Mrs. Andy Tobler, Mrs. Sitter and Peggy were Calgary visitors on Monday.

Mr. and Mrs. Harry Petersen visited with Mr. and Mrs. Donald Peterson and Dougie at Penhold on Sunday.

Congratulations to Mr. and Mrs. Artie Chamberlain on the birth of a daughter, a sister for Leo and Rosanna.

Mr. and Mrs. Douglas Johnston and family, Mr. Ronald Johnston and Mr. Jock Angus, were Sunday dinner guests with Mr. and Mrs. Hugh Morton and family. Mr. Angus leaves Tuesday to make his home in Scotland.

Mr. and Mrs. George Innes had as their guests at a turkey dinner Sunday evening: Mr. and Mrs. Bill Collinge, Mr. and Mrs. Verne Wieglesworth, Mr. and Mrs. Peterson and Jim. Mr. and Mrs. Roeth and Allen.

Bob Collinge won 2nd prize in the first event while curling in the Air-drie bonspiel.

### Letter To The Editor

Editor of the Pioneer

Dear Sir:

On the way home from the Mountain View annual municipal meeting I got to thinking over the discussion that afternoon on "hall suppression."

One gentleman in the hall suggested we were being used as "guinea pigs," and reviewing things, it looks as if we might be at that.

I have heard of this class of pig being used in experiments, but I never heard or read of a case where the guinea pigs had to finance the experiment, and looking at it that way, that seems to me to be exactly what we are going to do.

It being admitted that this hall suppression is an experiment for the prairies, I cannot see why the taxpayer of Mr. View and Kneehill should be called on to foot the bill for the benefit of all the farmers in the province. It would seem that an experiment of this nature should actually be carried out by the Dominion government as they have paid the shot for many experiments regarding the betterment of agriculture, and are still doing so.

As I see it, the trial would have to be carried on for a number of years before anyone could say "it does it" or "it don't."

I attended a meeting in Olds quite awhile ago, and if I remember rightly there was no guarantee of it working, although it was admitted that treating a hall could possibly reduce it from a 100% storm to a 50% one. How, and who could tell if such was the case. When I see a hall looking as genuine over as if I take the old shot gun, and let it have both barrels, and it does not drop much hall, I could claim if I treat a hall, the hall would have been twice as bad.

The 664 question, who judges the results?

Yours truly,  
E. W. MILLER, Sundre

### A MISTAKE

Mrs. Smith: "Goodness, George, this isn't our baby. We have the wrong carriage."  
Mr. Smith: "Keep still, this one has rubber tires."

### CREMONA NEWS

(From Our Own Correspondent)

An amateur program and play was held at the Graham school on Feb. 17th. There was a capacity crowd and the entertainment was tops. The play "Rumors Waited" was a comedy and kept the crowd laughing throughout. The cast consisted of Mr. and Mrs. Hosouski, Mrs. Young, Mr. Smith, Mrs. Kestler, Mrs. Laumore and L. Carroll.

The annual meeting of the Mountain View Savings and Credit Union held in the Cremona Hall in the afternoon of Feb. 17th. The meeting was better attended than last year. Dividends of 2 1/2% on deposits and 18% interest rebate were declared. A fishing film opened the meeting followed by the business meeting and concluded with a film on insurance. Mrs. C. Hayes won the drawing. A fish was served by the officers and the social committee.

Mr. and Mrs. J. R. Archibald of Lacombe spent last Wednesday, 15th and Wednesday night with their daughter Mrs. A. Reid.

Mr. B. B. Reid is in the Calgary General hospital with shingles. Mr. and Mrs. Reid have been on vacation and Mr. Reid entered the hospital on Tuesday, Feb. 14th. We wish him a speedy recovery. Mrs. Reid returned home on Thursday.

Mr. and Mrs. George Bucher and boys were weekend visitors at the home of J. Lane's.

Mrs. A. Whitlow, Beverly, Marilyn, Wilma and Wendy, Roy Ireland and Clayton Knapp of Calgary were weekend visitors at the home of D. Young.

Mrs. Joanne Silckinger of Anacortes, Wash., spent two days last week with Mrs. E. Reid. Mrs. Reid is in the hospital in Calgary. She expects to return home very soon.

The Cremona hall board resumed their duties for another year. Twice they called community hall Board meetings and twice they were the only people to put in an appearance.

"Remember the two weeks from February 20 to March 3 because things will be happening at STOTT'S JEWELLERY in Olds. Practically everything in the store will be sold for half price — watches, rings, ladies' jewellery, several makes of lighters, watch bracelets and china and glassware, etc.

Think ahead. If you have a gift to buy for a wedding, birthday shower — any occasion, this is the opportunity to really save money.

It's from February 20 to March 3 at STOTT'S JEWELLERY just west of the post office in Olds.
